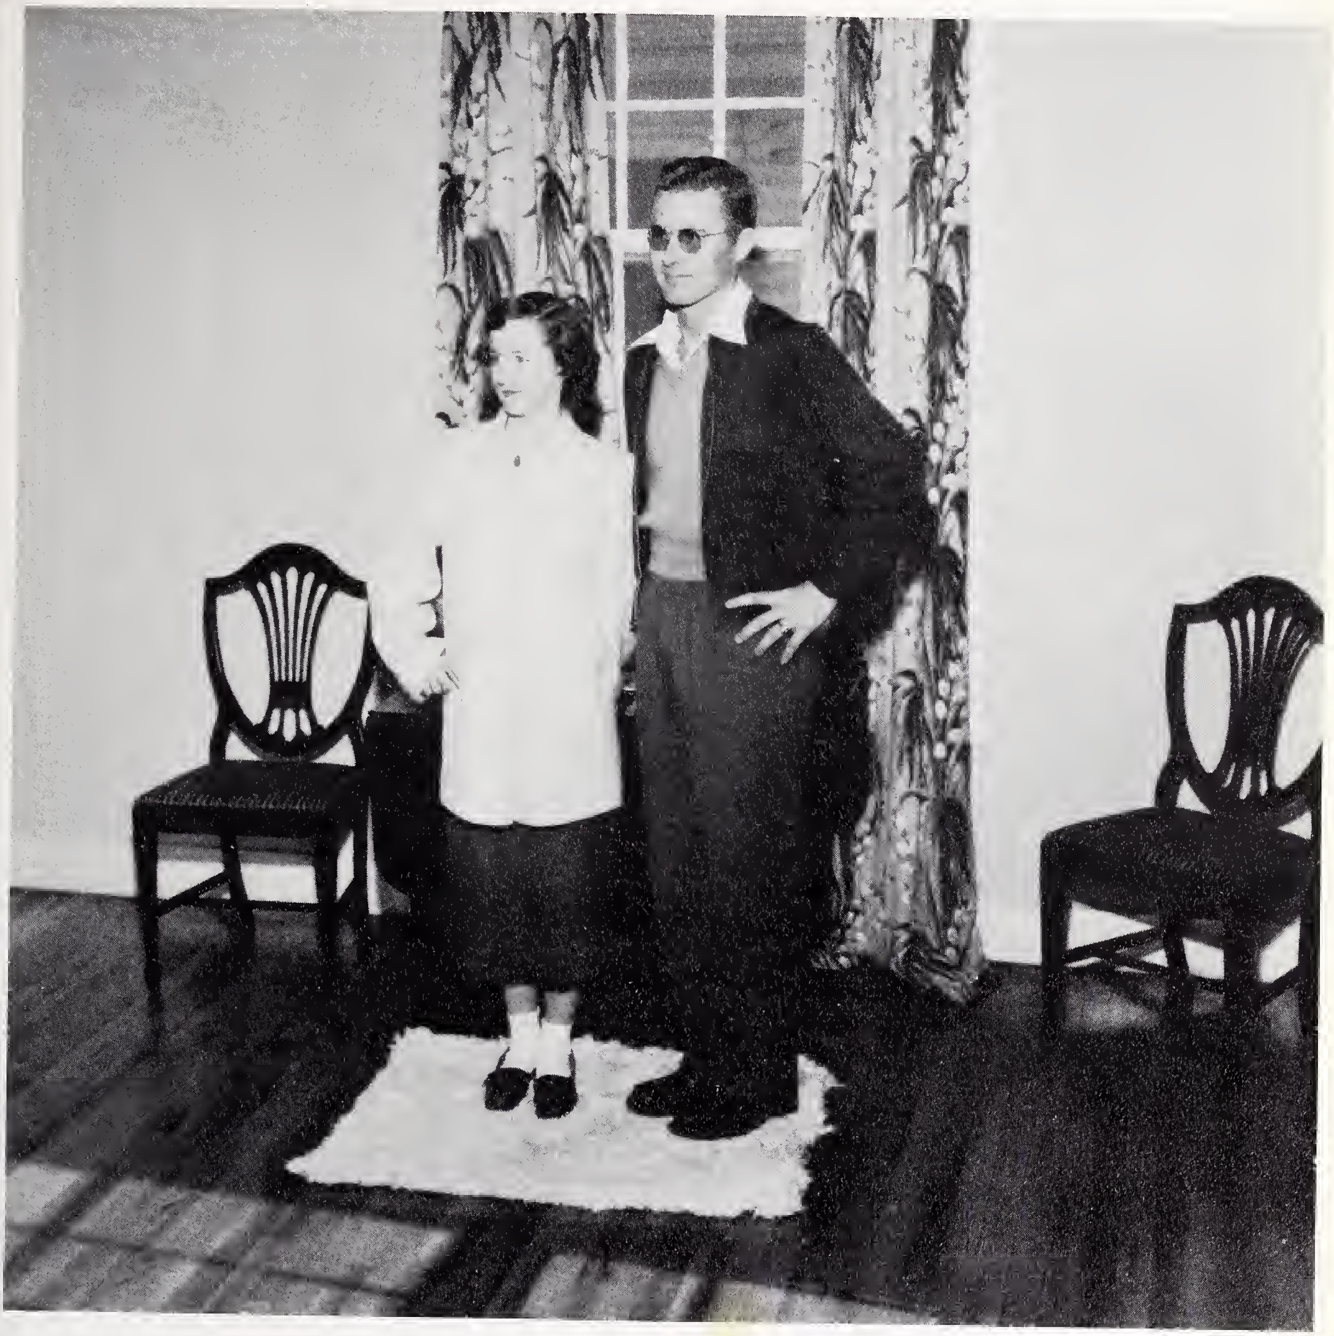
Personalities



Mr. and Miss I. J. C.

Allen Gregory and Clarice Graham

The Personalities Section of the 1950-51 "Mirror" include Mr. and Miss I. J. C., Campus beauties, and Favorites. In the past a "Who's Who" Election has been held, selecting such legendary characters as "Best dressed Boy, and Girl," "Most beautiful Girl," Most handsome Boy," etc. This year the staff felt it best to abolish these fictitious titles, due to the fact that there is no fair way to determine which individuals deserve these titles.

The members of the annual staff are to be commended for a job well done.

In America we plan major emphasis upon the individual. In these times we hear a great deal about individual freedom and individual initiative. It is the desire of this school to build up in the students the idea that they are a very important part in the school and also to show them that they are "Somebody."
